25X1 k. On 13 April, members of ISSD attended a meeting with NPIC contractors to discuss development efforts required to permit NPIC to continue network connections to systems that will not be operating at the [redacted] level. The system integrator contractor requested ISSD's ongoing support for this project.

25X1 1. On 13 April, the ITC began the second running of the Non-NFIB Basic TSCM Course. Of the 10 students enrolled, two were from Department of Transportation, three from National Aeronautics and Space Administration, two from Drug Enforcement Administration, one from White House Communications Agency, and two from US Capitol Police. The course will run the full six weeks (same as the NFIB course).
